**6-Week Community Group Series
Starting the Week of May 10**

6-Week In-Home Community Groups

When we read about the Church in its early days, we see brothers and sisters who loved to be together. This is beautifully highlighted in Acts 2:42, "They were continually devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread, and to prayer." We know that many in our Trinity family desire to see this type of community in their lives, beyond what is experienced on Sunday mornings.

With this in mind, we are offering our Spring Community Groups. These groups will meet in homes for six weeks beginning the week of May 10 and may include fellowship with snacks, meals, and/or desserts, based upon each group's desire. We believe these groups will be a blessing to all who choose to participate.

Along with fellowship, a time each evening will be spent watching a brief 20-30 minute video presentation by R. C. Sproul from his series titled "The Holiness of God." This series examines the meaning of holiness and closely explores God's character, leading to new insights on sin, justice, and grace. The result will be a new awareness of our dependence upon God's mercy and a discovery of the awe of His majestic holiness. Dr. Sproul says, "The holiness of God affects every aspect of our lives — economics, politics, athletics, romance — everything with which we are involved." After the video, groups will spend some time discussing key points and in fellowship together.
