

Dear brothers and sisters from Trinity,

First Odessa Baptist Church received your donations, and we immediately began to use them for the glory of our Lord Jesus! As you well know, a difficult war is going on in Ukraine, but the front line has not yet approached Odessa. Therefore, we have many refugees in Odessa that have come from the East of Ukraine, where the battle still continues. An alarm often sounds in Odessa, and almost every day Odessa is shelled with missiles from ships and from the Crimea. So far, only the infrastructure is being destroyed, and we are relatively calm for now.

Our church has started using your help to prepare and deliver food packages to the refugees and needy. We also started making free meals for neighbors and for residents of the city. The Lord blesses us and keeps us safe.

On behalf of our brothers and sisters, and on behalf of all those who received help, I want to thank you and glorify the Lord Christ.

With love – Sergiy Sannikov
